

Emmaus Partnership

A Cursillo National Document

Could I present to you an opportunity to help us with the continuing work of Cursillo in Wellington? Within the structure of the Wellington Cursillo we have many Cursillistas that give monthly to the ongoing work of this mission/discipleship ministry. If you believe as we do that regularly supporting Cursillo “changes the environment” for Jesus then we would like to provide you this opportunity to become a regular financial supporter of Cursillo as an **Emmaus Partner** by donating a minimum of \$15 per month.

Supporting us as an **Emmaus Partner** does allow Cursillo to build a strong community fourth day model that can provide this ministry with regular funding for activities under its care.

Please review this opportunity and if this is your positive decision after prayerful consideration could you setup with your bank the following payment cycle. Giving is by monthly automatic payment with the amount and frequency over to you to consider.

If becoming an **Emmaus Partner** is something you wish to do then after setting up the payment cycle could you also email the treasurer at treasurer@cursillo.org.nz with your mailing and personal email address so we can issue your donation receipt in April?

As Cursillo is a registered charity these monthly donations are also tax deductible and an annual receipt for your total gifting is issues in April each year by the Cursillo Treasurer. This donation receipt can be submitted with your annual return to the IRD as part of your charitable donation refund each year.

Thank you for your consideration in becoming an **Emmaus Partner** with us and we look forward to impacting our community together for Jesus.

De Colores.
